2014	0	0	0	0
2015	0	0	0	0

¹“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

³“Graduates” is the number of students who completed the program within 100% of the published program length.

⁴“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

Property and Casualty Exam Prep (Supplemental Only: No Time Requirement)

This course is supplemental in nature only and no associated placement data are available.

Life, Accident and Health Exam Prep (Supplemental Only: No Time Requirement)

This course is supplemental in nature only and no associated placement data are available.

The above programs are not represented to lead to any particular outcomes, including those specified in the program titles. The placement rates calculated above are based on students’ finding employment in the multiple occupations or job titles listed for these programs within the school catalog. For further information regarding how the school calculated graduation or placement rates, or to obtain a list of employment positions determined to be within the field for which a student received education and training, please contact Admissions.

¹“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

⁵“Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

*- Graduates did not state the number of hours working per week.

Property and Casualty Exam Prep (Supplemental Only: No Time Requirement)

This course is supplemental in nature only and no associated exam data are available.

Life, Accident and Health Exam Prep (Supplemental Only: No Time Requirement)

This course is supplemental in nature only and no associated exam data are available.

¹“Number of Students Taking Exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²“Number Who Passed First Exam Taken” is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³“Passage Rate” is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Cyber Insurance School obtains exam passage information directly from its students in writing via email or verbally via phone or personal contact. When students cannot be contacted, the school attempts to find this information by phoning the student’s employer, if known.

¹“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

²“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of examination results for the first examination available after a student

completes and applicable educational program. Employment positions used to determine the number of graduates employed in the field for purposes of calculating job placement rates are: Insurance Agent, Insurance Broker, Insurance Solicitor, and Insurance Customer Service Representative.

³“Salary” is as reported by the student. Not all graduates reported salary.

*- Zero students reported information regarding their salary and wages.

Cyber Insurance School obtains salary information directly from its students in writing via email or verbally via phone or personal contact. When students cannot be contacted, the school attempts to find this information by phoning the student’s employer, if known.

Students who wish to obtain from the school a list of the objective sources of information used to substantiate the salary disclosures may do so by contacting Admissions.

Additionally, you may wish to refer to the State Employment Development Department website www.labormarketinfo.edd.ca.gov for additional information regarding typical salaries in the program field.

Mandatory Disclosures

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at: P.O. Box 980818, West Sacramento, CA 95798-0818, www.bppe.ca.gov, P: 888.370.7589 or 916.431.6959, F: 916.263.1897.
